THE PARADISE DOCK *Advantage*

The *Paradise Dock Advantage* is based on the quality and attention to detail we incorporate in our products for the benefit of our customers. We are a family-owned business based out of Vernon, British Columbia, Canada serving customers worldwide. Our docks stand second to none with industry leading build strength and a wide array of accessories.

GORGEOUS SHOREFRONT APPEAL

- Streamline extruded aluminum frame.
- Multiple decking choices.
- Decking is screwed down for ease of replacement.
- Decking allows water and air to pass through, resulting in a safer and cooler surface.

MODULAR DESIGN

- The modular design allows you to easily rearrange and reconfigure your dock.
- Easily expand your dock; adding more sections as your needs change.
- Available with or without decking.

INNOVATIVE FEATURES

- The easy screw-jack legs allows accurate and effortless levelling while staying dry.
- Double braced legs provide superior stability and durability.
- Our unique track system allows you to easily move your accessories.
- Quick release ramp hinge for seasonal removal.
- Dock sections clip together in 2 positions (transport and locked).

QUALITY COMPONENTS

- 6061 T6 marine grade aluminum construction.
